

THE GAME FLAG THE GAME MAN.

Raised the First American Flag
Over California Soil.

ONCE A RESIDENT OF HONOLULU

How William P. Toler Distinguished
Himself Half a Century Ago—Was a
Midshipman on the Old Commo-
dore—Now in California.

William P. Toler, the man who raised the first American flag over California soil, has been appointed to participate in the fiftieth anniversary of that notable event at Monterey on July 7th. He will again hoist the flag on the very spot where, fifty years ago, under orders from Commodore Sloat, he pulled the halliards that sent the stars and stripes over the Mexican territory of Alta California, says the S. F. Examiner of June 28.

Mr. Toler lives at 546 Albion street, Oakland. He has preserved rare mementoes of the duty he did fifty years ago. He has all the original orders issued by the Commodore, and he exhibits with pride the papers, properly indorsed, signed and countersigned, which gave him authority to go ashore and plant the stars and stripes upon the soil of California.

He is an old man now, and somewhat decrepit because of long-standing illness.

He was a midshipman in the United States navy, and spoke Spanish fluently. He was, therefore, attached to a squadron which sailed off the California coast in the early '40's. He landed at Monterey as early as 1842, and even then Commodore Jones had made an attempt to secure the control of the coast, but that failed. The time was not ripe. Four years later and the hour was at hand, and young Midshipman Toler was then on the flagship of Commodore Sloat. Toler relates with much force the dramatic incidents of the day he was ordered ashore with a detachment of blue jackets to take possession of California in the name of the United States. The guns of the frigate Savannah bore upon the old custom house at Monterey, where the ceremony took place. There was a slight mishap and the halliards caught after the flag had been bent and raised half way to the truck. So another midshipman climbed the pole and cleared away the kinks in the stiff rope. Then Toler hauled away vigorously until the colors were streaming from the masthead and California had been declared territory of the United States.

Two weeks later a British frigate arrived at Monterey, but there was no work for the foreigner. Commodore Sloat had made history a fortnight before.

Toler will be remembered by all residents of Honolulu of six years ago. He spent some time here and was the owner of a residence at Waikiki which he afterward sold to Frank Hueston.

Mr. Toler is a gentleman of means and spent most of his time here in sketching and painting bits of scenery around Oahu.

LEPERS IN PARIS.

Important Discoveries Made in Treating the Disease.

LONDON, July 1.—The discovery recently of a leper wandering homeless in the streets of Paris had been followed by the announcement that fully 100 sufferers of the loathsome disease are at large among the poor of the French capital.

Coupled with this news come a somewhat reassuring statement to the Academy of Science yesterday by Dr. Oufé that he had succeeded in curing severe cases of leprosy. He had been struck with the results obtained by the aid of graduated organic injections in cases of eczema and psoriasis. The doctor sought to modify the condition of the nervous system of strengthening without exciting it, and soon noticed the correctness of his conception. He also studied by means of a new technical process the conditions of the blood of leprosy patients, and succeeded in demonstrating the presence of the bacillus of leprosy, which had never before been discovered elsewhere than in leprosy tubercles.

CRETE'S COURSE APPROVED.

Greek Sympathies With the Troubled Island.

ATHENS, July 1.—The most enthusiastic approval is expressed here at the refusal of the Cretan deputies to assemble, failing to secure the guarantee of the powers of liberty of speech and person. Much satisfaction also is expressed at the proclamation issued by the revolutionary assembly at Vamou, calling on the people to send representatives for the establishment of a revolutionary government. This step is considered to be a final answer to the Porte.

Two more steamers have been chartered to carry ammunition to the insurgents.

New Oregon Officers.

WASHINGTON, June 26.—The following officers have been ordered to the Oregon at Mare Island on July 15th, when she will go into commission: Captain H. L. Harrison, Lieutenant Commander F. J. Drake, Lieutenant W. R. A. Rooney, from the Monterey; Lieutenant E. M. Hughes, Lieutenant Whalen, Ensign E. W. Eberlee, Ensign A. H. Durrell, Naval Cadets P. M. Pannon, R. Z. Johnson, V. H. Hall, J. J. Raby, M. J. McCormick, A. Lansing, F. D. Kearnes and J. P. Morton; Passed Assistant Surgeon George Rothgauger,

Paymaster S. R. Calhoun from the Monadnock, and Chief Engineer E. R. Milligan from the Monterey. Passed Engineer T. N. Bourgoirff and Boatswain J. Costello.

FEARS FOR BULUWAYO.

An Attack by Natives Expected in a Few Days.

NEW YORK, July 1.—The World's Cape Town cable says: Massacres of white people in Matabeleland continue. Powerful chiefs are joining the insurgents. The attack on Buluwayo is expected next new moon, July 10th. The supply of provisions there is short. The mounted infantry of the colonial volunteers has left here for Matabeleland. Premier Sprigg predicts the rising of natives in the colony.

CHILI'S NEW PRESIDENT.
His Election a Victory for the Liberal Party.

WASHINGTON, June 29.—Frederico Errazuriz, who has just been elected President of the Chilean Republic, was nominated by the Liberal party, which is opposed to the Balmacedists. He was born in 1849. His father was once President of Chili. The new President is a man of large fortune. Under Balmaceda he was Minister of Justice, and under the MacIver administration he was Minister of War. At the present time he is a Senator.

Massacres in Matabeleland.

NEW YORK, June 26.—A World dispatch from Cape Town says: Awful massacres are reported near Salisbury, Matabeleland. Murder and looting are prevalent in the unprotected districts throughout the country. A British patrol has just had a desperate fight with rebel natives. Seven troopers were killed and four wounded. Captains Bremer and Graham were among the killed.

BULUWAYO, June 25.—It is officially announced that Fort Charles is surrounded by the insurgents and that wagons with food supplies for Gwelo have been stopped at Marendalla, which has been looted by the enemy, who secured 25,000 rounds of ammunition.

Upholds Confessional Secrecy.

MONTREAL, June 25.—The Superior Court rendered a decision today upholding the secrecy of the confessional.

"ZARAGOZA'S" TRIP.

Where She Will Stop at Her Voyage Around the World.

The Mexican corvette "Zaragoza" will leave Honolulu Saturday morning sailing direct to Yokohama. She will call at the following ports in the order given: Yokohama, Manila, Singapore, Colombo, Ceylon, Aden, Port Said, Cadiz, Havana and then back to Vera Cruz, reaching that port some time in April or May, 1879. The ports given are only the principal ones. The corvette will make stops at other smaller ports.

The officers of the "Zaragoza" say that wherever they may go, it will be impossible for them to have such a fine time as they had in Honolulu. The hospitality of the Honolulu people is a matter of general comment abroad.

The Edward May Again.

NEW YORK, June 25.—Bark Edward May from New York to Honolulu, before reported, was again seen on June 16 in lat. 41-22 north, long. 53-23 west, with all sails set, steering as close to the westward as wind would permit. Afternoon of same day a fresh gale from W.S.W. veering in night to W.N.W.

BOSTON, June 26.—The bark Edward May, previously reported, reports having sprung a leak on June 1, in lat. 39-16 north, long. 63-19 west, leaking increasing steadily until making about 500 strokes per hour. On the 7th put about. Leak supposed to be in top-sides, and can be repaired without discharging. Damage to cargo slight.

An Old-Time Whaler.

Captain David Gray, for nearly fifty years one of the most active, daring and successful whalers that sailed into the Arctic, died at Peterhead, Scotland, recently. He was a descendant of a line of whalers who won renown as welders of the harpoon and as skippers of vessels in search of blubber. He was recognized as the leading authority on Arctic navigation and whale hunting, as well as on the northern tides and currents. He was the author of many works on Arctic and Antarctic research, and his knowledge of the polar seas has been a guide to whalers from all ports.

WHARF AND WAVE.

The brig W. G. Irwin, on June 23d, lat. 37-4 north, long. 131-17 west, saw a bark bound west showing signal letters "J. R. D. K."

The O. & O. S. S. Gaelic, Pearce, commander, arrived in port at 3 p. m. yesterday, 7 days from San Francisco with a large cargo of freight for China and Japan. The Gaelic sailed from San Francisco on July 2d, and experienced good weather all the way.

SAN FRANCISCO, June 28.—The ships Iroquois and Babcock have just been secured to load at New York for this port, and the ships Solitaire and Henry Villard at Philadelphia. All these ships were last year engaged in carrying sugar from Honolulu to New York and Philadelphia, and it is probable that most of them will take the same course next year.
